

Amendments to the Drawings

The attached one sheet of drawings includes changes to Fig. 1. This sheet, which includes Fig. 1, replaces the original sheet including Fig. 1.

Attachment: Replacement Sheet

Remarks

The Specification has been amended to claim priority of the provisional application. The claims have been amended to place the claims in a format suitable for prosecution before the U.S. Patent and Trademark Office. The claims were not amended in order to address issues of patentability. One replacement sheet of drawings has been submitted to insert the text into the empty boxes.

Conclusion

Applicants submit that claims 1-15 distinguish patentably and non-obviously over the prior art of record and are in condition for allowance. An early indication of allowability is earnestly solicited.

If any fees are due in connection with this Preliminary Amendment, the authorization to charge deposit account 14-1270 for the fees associated therewith is hereby provided.

Respectfully submitted,
